NOTES:

- 1. Pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate A-airs followed by Circular No. 20/2020 dated May 05, 2020, Circular No. 02/2021 dated January 13, 2021 Circular No. 10/2022 dated December 28, 2022 and Circular No. 09/2023 dated September 25, 2023 and Circular No. 09/2024 dated September 19, 2024 (collectively referred to as 'MCA Circulars') and Securities and Exchange Board of India ("SEBI") Circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, Circular no. SEBI/HO/ CFD /CMD2/CIR/P/2021/11 dated January 15, 2021, Circular No SEBI / HO / CFD /CMD2 /CIR/P/2022/62 dated May 13, 2022, SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023, SEBI/HO/CFD/CFD-PoD2/P/CIR/2023/167 dated October 7, 2023 and SEBI/HO/CFD/CFDPoD-2/P/CIR/2024/133 dated October 3, 2024 (collectively referred to as 'SEBI Circulars') and all other relevant circulars issued from time to time, physical attendance of the members to the AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). The registered office of the Company shall be deemed to be the venue for the AGM. Hence, members can attend and participate in the ensuing AGM through VC/OAVM. The video recording and transcript of the same shall be made available on the website of the Company. Purva Sharegistry (India) Private Limited (Purva) will be providing facility for voting through remote e-voting for participation in the AGM through VC/OAVM and e-voting during the AGM. The procedure for participating in the meeting through VC / OAVM is explained below.
- 2. Pursuant to the provisions of the act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a member of the company. Since this AGM is being held pursuant to the MCA circulars through VC/OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for this AGM and hence the proxy form, attendance slip and route map of AGM are not annexed to this notice.
- 3. The members attending the AGM through VC / OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC / OAVM and cast their votes through e-voting. Institutional / Corporate Shareholders (i.e. other than HUF, NRI etc.) intending to attend the meetings through their authorized representatives are requested to send a scanned copy (PDF / JPG Format) of certified true copy of the Board Resolution to the Company authorizing their representative to attend the AGM through VC / OAVM on their behalf and to vote through e-voting, to the Scrutinizer through e-mail at shreyanscs@gmail.com with a copy marked to evoting@purvashare.com and to the Company at infraindustries@gmail.com
- 4. The Members can join the AGM in the VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis
- 5. In terms of the said MCA and the SEBI Circulars the Notice of AGM alongwith Annual Report for the Financial Year –2024-25 is being sent only through electronic mode to those Members whose email addresses are registered with the Company / Depositories. Members may note that the Notice alongwith the Annual Report for the Financial Year 2024-25 has been uploaded on the website of the Company www.infra.co.in. Further as required the letter containing the link where the complete details of the Annual Report are available is also sent to those shareholders whose

email address is not registered with the Company or Depository or Registrar and Share Transfer Agent. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com.

- **6.** Shareholders who have not registered their e-mail address and in consequence the Annual Report, Notice of AGM and e-voting notice could not be serviced, may also provide their email address and mobile number to the Company's Registrar and Share Transfer Agent, Purva Sharegistry India Private Limited on support@purvashare.com.
- 7. Alternatively, member may send an e-mail request at the email id support@purvashare.com along with scanned copy of the signed request letter providing the email address, mobile number, self-attested PAN copy and Client Master copy in case of electronic folio and copy of share certificate in case of physical folio for sending the Annual report, Notice of AGM and the e-voting instructions.
- 8. Since the AGM will be held through VC / OAVM, route map is not annexed to the Notice.
- 9. Members can join the AGM through VC / OAVM 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned herein. The facility for participation at the AGM through VC / OAVM will be made available for 1,000 members on first come, first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Compensation & Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- 10. The business set out in the Notice will be transacted *inter-alia* through remote e-voting facility being provided by the Company through the e-voting platform of www.evotingindia.com in accordance with the provisions of Section 108 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. The communication relating to remote e-voting containing details about User ID and password, instructions and other information relating to e-voting are given in this Notice. The Cut-off Date for Members to exercise their right to vote on Resolutions proposed to be passed in the meeting by electronic means is September 04, 2025.
- 11. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names as per Register of Members of the Company will be entitled to vote.
- 12. The Securities and Exchange Board of India (SEBI) has mandated the submission of PAN by every participant in securities market. Members holding shares in dematerialised form are, therefore, requested to submit their PAN details to their DPs. Members holding shares in physical form are requested to submit their PAN details to the Company / Purva.
- 13. Members are requested to promptly intimate any change in their name, postal address, email address, contact numbers, PAN, nominations, mandates, bank details, etc. to their DPs for equity shares held in dematerialized form and to Purva Sharegistry India Private Limited, the Registrar and Share Transfer Agent.
- 14. In terms of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, securities of listed companies can only be transferred in dematerialized form with effect from 1st April, 2019. In view of the above and to eliminate the risks associated with physical shares, Members are advised to dematerialise shares held by them in physical form.

15. Members desirous of having any information regarding Accounts of the Company are requested to e-mail their queries to info.infraindustries@gmail.com with 'Query on Accounts' in the subject line, at least 7 days before the date of the meeting, so that requisite information is made available at the meeting.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on September 08, 2025 at 09:00 A.M. and ends on September 10, 2025 at 05:00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut off date (record date) of September 04, 2025 may cast their vote electronically. The e-voting module shall be disabled by Purva for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts / websites of Depositories / Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Opinion

We have audited the financial statements of **INFRA INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, and amended and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2025, and its losses (financial performance including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key Audit Matters are those matters that in our professional judgment were of most significance in our audit of the Financial Statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report:

Sr. No.	Key Audit Matter	Our Response
1	Going Concern The financial statements have been prepared on a going concern basis.	In assessing the appropriateness of the going concern assumption used in preparing the financial statements, our procedures included, amongst others:
	We included the going concern assumption as a key audit matter as it relies on debt from related parties and borrowings to cover necessary expenditure.	Understanding what forecast expenditure is committed and what could be considered discretionary.
		Considering the liquidity of existing assets on the balance sheet.
		Considering the terms of the bank loan and trade finance facilities and the amount available for drawdown.
		Considering potential downside scenarios and the resultant impact on available funds.
		The Company continues to incur losses which indicate that material uncertainty exists that may affect Company's ability to continue as a going concern.
		The management is of the opinion that there is an increase in level of production and operations will be profitable and sustainable in the near future.

Other Information

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Report on Corporate Governance, Business Responsibility Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion, The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended.
 - In our opinion and to the best of our information and according to the explanations given to us, the Company has paid/provided managerial remuneration in compliance with the provisions of Section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company, as detailed in Note No. 38 to the financial statements, has disclosed the impact of its pending litigation on its financial position;
 - ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the company.
 - iv. (a) As per the information and explanation given to us by the management, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) As per the information and explanation given to us by the management, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) On the basis of above representations, nothing has come to our notice that has caused us to believe that the above representations contained any material mis-statement.
- v. The Company has not declared or paid any dividend during the year; and
- vi. Based on our examination, which included test checks, and other generally accepted audit procedures performed by us, we report that the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. However, the same was operational for part of the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention for the period in which audit trail (edit log) facility was enabled.

ANNEXURE-B TO INDEPENDENT AUDITOR'S REPORT

Annexure referred to in paragraph 2(f) under the 'Report on Other Legal and Regulatory Requirements' of our report to the members of **INFRA INDUSTRIES LIMITED**, ('the Company') for the year ended on March 31, 2025.

Report on Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Act

Disclaimer of Opinion

We have audited the internal financial controls over financial reporting of **INFRA INDUSTRIES LIMITED** ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

The information and explanations provided by the management on system of Internal Financial Controls over financial reporting were not complete to enable us to determine if the Company has established adequate Internal Financial Controls over financial reporting and whether such Internal Financial Controls were operating effectively as at March 31, 2025.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company, and the disclaimer does not affect our opinion on the financial statements of the Company.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities includes design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of business, including adherence to Company's policies, safeguarding of the assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and Guidance note require that we comply with ethical requirements and plan and perform audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- Provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to Financial Statements for the year ended 31st March, 2025

1 Corporate Information and Significant Accounting Policies

Corporate information

Infra Industries Limited (the Company) is a Public Company incorporated in India in 1989 under the Provisons of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange. The Company is having its registered office at Mumbai and manufacturing facility in Aarav, Maharashtra.

The Company is engaged in processing and manufactured of plastic products and in the trading of various plastic products.

Material Accounting Policies:

a) Statement of Compliance

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, the relevant provisions of the Companies Act, 2013 ("the Act").

b) Basis of preparation

The financial statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

i) Employee's Defined Benefit Plan as per actuarial valuation

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

c) Property, Plant and Equipment (PPE)

The initial cost of PPE comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning, less accumulated depreciation and accumulated impairment losses, if any. Expenditure incurred after the PPE have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

Material items such as spare parts, stand-by equipment and service equipment are classified as PPE when they meet the definition of PPE as specified in Ind AS 16 – Property, Plant and Equipment.

d) Depreciation

Depreciation on property, plant and equipment is provided on pro-rata basis using straight line method based on useful life of the assets as prescribed in the PART C of Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

e) Impairment of non-financial assets - property, plant and equipment

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

f) Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

Cost of raw materials, chemicals, stores and spares, packing materials, trading and other products are determined on FIFO Basis.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

g) Borrowing Costs

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

h) Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognized in financial statements since this may result in the recognition of income that may never be realized.

However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognized.

i) Revenue Recognition

Revenue from sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from rendering of services is recognized when the performance of agreed contractual task has been completed.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from operations includes sale of goods, services and adjusted for discounts (net).

Interest income from a financial asset is recognised using effective interest rate method.

Liquidated damages on account of delay in supply of finished goods is accounted for as and when confirmed / deducted by the customers.

j) Leases

A right-of-use asset representing the right to use the underlying asset and a lease liability representing the obligation to make lease payments is recognized for all leases over 1 year on initial recognition basis. Discounted committed & expected future cash flows and depreciation on the asset portion on straight-line basis & interest on liability portion (net of lease payments) on EIR basis is recognized over the expected lease term. No right-of-use asset is created for short term leases (i.e. lease term less than 1 year).

k) Retirement and other employee benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

Defined Benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

Income Taxes

Income Tax expenses comprise current tax and deferred tax charge or credit.

Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws.

Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognized directly in equity or OCI is recognized in equity or OCI and not in the Statement of Profit and Loss. MAT Credits are in the form of unused tax credits that are carried forward by the Company for a specified period of time, hence it is grouped with Deferred Tax Asset.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable.

m) Earnings Per Share

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

n) Foreign Currency Transactions

In preparing the financial statements of the Company, transactions in currencies other than the Company's functional currency (i.e. foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate as at the date of initial transactions.

Exchange differences on monetary items are recognized in the Statement of Profit and Loss in the period in which they arise except for:

- exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;
- exchange differences relating to qualifying effective cash flow hedges and qualifying net investment hedges in foreign operations.

o) Financial Instruments

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

Initial Recognition:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in Statement of Profit and Loss.

Classification and Subsequent Measurement:

Financial Assets

The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial asset.

Amortized Cost:

A financial asset shall be classified and measured at amortized cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through OCI:

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Profit or Loss:

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through OCI.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement: Financial liabilities:

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or Losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

p) Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

q) Financial liabilities and equity instruments

• Classification as debt or equity:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

• Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognized at the proceeds received.

r) Segment Reporting - Identification of Segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of asset and liability if market participants would take those into consideration. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such basis. Normally at initial recognition, the transaction price is the best evidence of fair value.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques those are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Financial assets and financial liabilities that are recognized at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.

s) Current versus Non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

i) An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

ii) A liability is current when:

- It is expected to be settled in the normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

- iii) Deferred tax assets and liabilities are classified as non-current assets and liabilities.
- **iv)** The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

Critical accounting judgements and key sources of estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

i) Useful Lives of Property, Plant & Equipment

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the remaining useful life of the assets.

ii) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

iii) Recoverability of Trade Receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

iv) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

v) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

vi) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Recent accounting pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

B. Measurement of fair values

Valuation techniques and significant unobservable inputs.

The management assessed that unquoted investments, cash and cash equivalents, trade receivables, bank overdrafts and other current liabilities approximate their carrying amounts. The Fair Value of financial assets included is the amount at which the instrument could be exchanged in a current transaction between willing parties.

28 Capital Management (Ind AS 1)

For the purpose of Company's Capital Management, capital includes Issued Equity Capital, Securities Premium, and all other Equity Reserves attributable to the Equity Holders of the Company. The primary objective of the Company's Capital Management is to maximise the Share Holder Value.

The Company monitors capital using debt-equity ratio, which is total debt less investments divided by total equity.

			₹ in Lakhs
	Particulars	31-03-2025	31-03-2024
Total Debt		537.17	186.80
Equity		(153.67)	62.99
Debt to Equity (Net)		(3.50)	2.97

29 Financial Risk Management (Ind AS 1)

The Company's principal financial liabilities comprise borrowings, trade and other payables.

The main purpose of these financial liabilities is to finance the operations of the Company. The principal financial assets include trade and other receivables, investments and cash and short term deposits.

The Company has assessed market risk, credit risk and liquidity risk to its financial liabilities.

i) Market Risk

Market Risk is the risk of loss of future earnings, fair values or cash flows that may result from a change in the price of a financial instrument, as a result of interest rates, foreign exchange rates and other price risks. Financial instruments affected by market risks, primarily include loans and borrowings, investments and foreign currency payables.

a) Interest Rate Risks

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is able to obtain the cheaper source of funds. Interests on borrowings subject to floating interest rate are re-priced regularly. The sensitivity analysis detailed below have been determined based on the exposure to variable interest rates on the average outstanding amounts due to bankers over a year.

If the interest rates had been one per cent higher / lower and all other variables held constant, the Company's profit for the year would have been decreased / increased by ₹ 5.50 Lakhs (31st March 2024: ₹ 2.00 Lakhs).

b) Foreign Currency Risks

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates.

The Company had no monetary foreign currency exposure as on 31st March, 2025 and accordingly sensitivity analysis is not warranted.

c) Price Risks

The Company's revenues are mainly generated from sales within India and the raw materials are procured through local purchases. The Company is affected by the price stability of certain commodities.

The Company has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices and other costs.

ii) Credit Risk

Credit Risk is the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Company. It arises from credit exposure to customers, financial instruments viz., Investments in Equity Shares and Balances with Banks.

The Company holds cash and cash equivalents with banks which are having highest safety rankings and hence has a low credit risk.

The Company limits its exposure to credit risk by generally investing only with counterparties that have a good credit rating. The Company does not expect any losses from non-performance by these counterparties, and does not have any significant concentration of exposures to specific industry sectors or specific country risks.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. All outstanding trade receivables were due for a period less than 180 days as at the year ended 31st March, 2025 as well as as at 31st March, 2024. The company uses Expected Credit Loss (ECL) Model to assess the impairment loss or gain.

There was no allowance for the Impairment in respect of Trade and Other Receivables as at the year ended 31st March, 2025 as well as as at 31st March, 2024.

iii) Liquidity Risk

The Company manages liquidity risk by maintaining adequate surplus, banking facilities and reserve borrowings facilities by continuously monitoring forecasts and actual cash flows.

The Company has obtained fund and non-fund based working capital lines from banks. The Company monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility. All payments are made along due dates and requests for early payments are entertained after due approval and availing early payment discounts.

The Company has a system of forecasting rolling one month cash inflow and outflow and all liquidity requirements are planned.

Exposure to liquidity risk:

The following are the remaining contractual maturities of financial liabilities at the reporting date:

Particulars	Refer Note	Less than 1 year	1-3 Years	3-5 Years	₹ in Lakhs More than 5 Years
Borrowings	13 & 15	99.68 (200.00)	63.39	79.88 -	307.05 -
Trade Payables	16	23.22 (19.95)	- -		-

Figures in brackets are in respect of Previous year.

30 Reconciliation of tax expense and the accounting profit multiplied by India's domestic tax rate

- a. In the event of losses, the Company does not have any tax liability for which the provision is required to be made in the books of accounts.
- Due to lack of probability of future taxable income, the Company has not recognised deferred tax on items resulting in timing differences on account of written down values of Property, Plant & Equipments, carry forward business losses, Defined Benefit Obligations & Expenses allowable on payment basis.

31 Employee Benefit: (Ind AS 19)

Defined Benefit Plans

Gratuity:

The gratuity payable to employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company for payment of gratuity.

Inherent Risk:

The plan is defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risks.
