

INFRA INDUSTRIES LIMITED

CIN No. L25200MH1989PLC054503

DETAILS OF BUSINESS OF THE COMPANY

Since 1991, Infra Industries Limited has been dedicated to manufacturing products that combine quality, durability, and innovation. Leveraging decades of expertise in the plastics industry, the Company offers comprehensive storage solutions designed to meet the requirements of industrial, commercial, and residential customers. Its product portfolio includes a wide range of storage containers and water tanks, manufactured using advanced technology to deliver reliable performance and long-lasting value.

Building on this strong foundation, the Company has diversified into the furniture segment with an elegant range of plastic furniture featuring a cane-finish design. Blending aesthetic appeal with strength and functionality, these products are crafted to complement modern lifestyles while upholding the Company's longstanding standards of excellence and customer satisfaction.

The Company's business is aligned with its main object of carrying on the business of manufacturing, moulding, producing, fabricating, assembling, supplying, and dealing in plastic articles, goods and products, including consumer and industrial plastic products for household, commercial, railway and defence applications. The Company is also authorised to undertake the import, export, marketing and distribution of plastic products and to act as merchants, dealers, brokers and commission agents in relation thereto.
